- (a) Subject to clause 1.4(b), if and to the extent that any provision in this Constitution is inconsistent with any provision of the Corporations Act, then to that extent that provision does not have any force or effect; and
- (b) Clause 1.4(a) is subject to any ASIC Instrument from time to time and, subject to clause 1.4(c), if before any such ASIC Instrument (or part thereof) can apply to this Constitution this Constitution is required to contain certain provisions, then to the extent that those provisions (or provisions to their effect) have not been expressly included in this Constitution, those provisions are deemed to be incorporated into this Constitution at all times that they are required to be included and prevail over the other provisions of this Constitution to the extent of any inconsistency. The Responsible Entity may make and revoke that determination at any time.

1.5 While the Scheme is not Registered

If and for so long as the Scheme is not Registered, unless the context requires otherwise, any reference to the Corporations Act will not apply to the Scheme or the Responsible Entity.

2. The Scheme

2.1 Registration

Each Member acknowledges and agrees that the Responsible Entity may at any time (without the consent of any Member) decide to apply to ASIC for the Scheme to become Registered as a managed investment scheme.

2.2 Scheme's Constitution

Deutsche Asset Management (Australia) Limited is the Scheme's initial Responsible Entity and this Constitution is the constitution for the Scheme.

2.3 Constitution is legally binding

The Responsible Entity and each Member and Former Member from time to time (and each person claiming through the Member and Former Member) is entitled to the benefit of and is bound by this Constitution in accordance with and to the extent provided for in this Constitution as if each of them is a party to this Constitution.

3. Scheme Assets held on the Trust

3.1 Commencement of the Trust

The Trust commences when the Responsible Entity issues the first Units in accordance with clause 7.

3.2 Declaration of the Trust

- (a) The Responsible Entity declares that it holds all of the Scheme Assets on trust for Members subject to the provisions of this Constitution. The Scheme Assets vest in the Responsible Entity.
- (b) If and to the extent the Corporations Act requires, the Responsible Entity must ensure the Scheme Assets are clearly identified as property of the Trust and held separately from all other property of the Responsible Entity and property of any other managed investment scheme.

3.3 Exclusion of other obligations

To the maximum extent permitted by law, all duties, obligations, liabilities or restrictions on powers which might otherwise be implied or imposed by law or equity upon the Responsible Entity in any capacity are hereby excluded.

4. Scheme Assets divided into Units

4.1 Nature of a Unit

- (a) The beneficial interest in the Scheme Assets is divided into a changeable number of Units.
- (b) Subject to any rights, obligations and restrictions attaching to any particular Unit or Class:
 - (i) all Units in a Class rank equally with each other;
 - (ii) a Unit confers an undivided interest in the Scheme Assets as a whole, subject to the Liabilities; and
 - (iii) a Unit does not confer any interest in any particular part of the Scheme Assets nor in any particular part of the Scheme.

4.2 Consolidation of Units

Subject to the law, the Responsible Entity may at any time consolidate or divide the number of Units on issue on any basis it determines.

4.3 Fractions of Units and rounding

Fractions of a Unit may be issued or redeemed or created by consolidation or division, as determined by the Responsible Entity, rounded up or down to any number of decimal places which the Responsible Entity determines. The value of, and all rights and obligations attaching to, a fractional Unit will be in the proportion which the fraction bears to a whole Unit. Any excess money or property which results from rounding becomes part of Scheme Assets.

4.4 Issue of Units and Classes

Subject to the law, the Responsible Entity may allot and issue unissued Units (including in different Classes) to any person, on any terms at any time and in any numbers and having attached thereto such preferred, deferred or other rights, restrictions and obligations as the Responsible Entity thinks fit in its absolute discretion.

4.5 Issue of Financial Products

Subject to the law and this Constitution, the Responsible Entity may, in addition to Units, allot and issue any Financial Product to any person, on any terms at any time and in any number, in each case as the Responsible Entity thinks fit in its absolute discretion.

5. Limitation on a Member's rights

5.1 Limitation on a Member's rights

A Member is not entitled to, and waives any right it may otherwise have, to:

- (a) require any Scheme Assets to be transferred to the Member (other than in accordance with clause 8.12);
- (b) interfere with any rights, trusts, powers, authorities or discretions of the Responsible Entity conferred upon it by this Constitution or by law (including in respect of the Scheme Assets (or any part of it) or the Scheme) or the exercise or non-exercise of any such rights, trusts, powers, authorities or discretions by or on behalf of the Responsible Entity; or
- (c) claim or exercise any right, trust, power, authority or discretion in respect of the Scheme Assets (or any part of it). Without limitation a Member must not lodge any caveat or other notice to protect or maintain in litigation or otherwise any proprietary, or other interest or claim in, or in relation to, the Scheme Assets (or any part of it).

5.2 Joint holders

Where more than one person is registered as the holder of any Unit then, for the purposes of the administration of the Scheme:

- (a) they shall be deemed to hold the Unit as joint tenants unless the Responsible Entity determines otherwise;
- (b) they shall be liable jointly and severally in respect of all amounts payable (including Tax) in respect of the Unit;
- (c) they shall, subject to the Corporations Act, be counted as a single Member for the purposes of calculating the number of Members as referred in clause 16.7 relating to meetings of Members;

- (d) clause 16.7(b) applies to determine which joint holder may exercise the voting rights of jointly held Units;
- (e) any payment to joint Members shall be subject to clause 22.4;
- (f) on the death, legal disability, or bankruptcy of a joint Member, the provisions of clause 24 shall apply; and
- (g) delivery of notices and all other communications by the Responsible Entity will be made pursuant to clause 25.

5.3 Rights attaching to Units

A Member holds a Unit subject to the rights, obligations and restrictions attaching to that Unit.

5.4 Encumbrances over Units

The Responsible Entity may make Security Interest Rules for the recognition of the interests of holders of encumbrances over Units. From and including the date that the Responsible Entity receives notice from a Member in a manner acceptable to the Responsible Entity to the effect that the Security Interest Rules are to apply in respect of the Member and the Member's Units, then the rights, restrictions and obligations in respect of:

- (a) the Member;
- (b) a person claiming through the Member; and
- (c) the Responsible Entity in respect of the Member and Units held by the Member,

under this Constitution are subject to the Security Interest Rules. The Security Interest Rules may from time to time be repealed, amended or added to at the discretion of the Responsible Entity

5.5 Responsible Entity not taken to have notice

The Responsible Entity is in no circumstances taken to have notice of, or to be under any obligation to enquire into, the provisions of any mortgage, charge or other encumbrance over Units. The Security Interest Rules represent a separate arrangement between the Responsible Entity and the Member and do not form part of this Constitution.

6. Liability of Members

6.1 Liability of a Member is limited

Except as expressly provided for in this Constitution (such as clause 22.5) and subject to any contrary agreement with a Member:

- (a) the liability of each Member is limited to the liability to pay any unpaid part of the Issue Price of Units held by the Member; and
- (b) no Member in their capacity as a Member is liable to, or is required to, indemnify the Responsible Entity or any creditor of the Responsible Entity against any liability of the Responsible Entity in respect of the Scheme in any case whatsoever including if at any time the Liabilities of the Scheme exceed the value of the Scheme Assets,

in each case even in relation to things done by the Responsible Entity at the direction or request of a Member which give rise to liabilities of the Responsible Entity in connection with the Scheme.

6.2 Relationship of agency or partnership excluded

Any relationship of agency, or of partnership, between the Responsible Entity in that capacity and any Member is expressly excluded.

7. Application for, creation and issue of Units

7.1 Applications for Units

A person intending to apply for Units must give the Responsible Entity a completed application which is in such form and which is delivered, sent or given in such a manner and to such place as the Responsible Entity may require from time to time. Payment in respect of an application in an amount which is not less than the Minimum Application Amount must be paid in favour of or to the Responsible Entity (or its nominee). The amount must be in such form as the Responsible Entity requires (which may include periodic debits to a bank account and cheques). Such payment must accompany the application or be received by the Responsible Entity within a time specified by the Responsible Entity or as the terms of issue of the Unit contemplate or comprise a reinvestment of a distribution in accordance with clause 15.12.

7.2 Payment of Issue Price other than by money

The Responsible Entity may accept payment in respect of an application for Units in the form of a transfer of property (of a kind acceptable to the Responsible Entity) rather than cash at a value or on any other terms as are agreed between the Responsible Entity and the applicant. In that case the applicant must transfer the title to the property to (or at the direction of) the Responsible Entity (and the title and the value of the property must be confirmed or verified in a manner acceptable to the Responsible Entity). Such transfer must accompany the application or be effected within a time specified by the Responsible Entity or as the terms of the issue of the Unit contemplate. The Responsible Entity may determine that some or all of the Expenses in respect of the valuation or transfer of the property, are payable or reimbursable out of Scheme Assets or payable by the applicant concerned.

7.3 Responsible Entity may accept or reject applications

The Responsible Entity may, in its absolute discretion, accept or reject all or part of an application for Units (including an application to reinvest a distribution under clause 15.12) without giving any reason.

7.4 Application must be for Minimum Application Amount

The amount of application money or value of any property to be transferred in accordance with clause 7.2 must be no less than the Minimum Application Amount.

7.5 Time when Units are issued

- (a) Subject to clause 7.5(b), Units in any Class are taken to be created and issued at the Valuation Time as at which the Issue Price is in fact calculated under clause 7.7(c).
- (b) Units which are to be issued on a reinvestment of distributions under clause 15.12 are taken to be issued at the time specified in that clause.

7.6 Number of Units issued

When Units are taken to be created and issued under clause 7.5, the number of Units created and issued is that number calculated by the Responsible Entity by dividing the Net Investment by the Issue Price of a Unit.

7.7 Issue Price

Subject to any rights, obligations and restrictions attaching to any particular Unit or Units in a Class, a Unit or Units in a Class must only be issued at its Issue Price determined in accordance with the following provisions of this clause 7.7:

- (a) the Issue Price for each of the Units to be issued by the Responsible Entity under clause 3.1 is \$1.00;
- (b) after the issue of Units referred to in clause 7.7(a), where Units are issued on a reinvestment of distribution in accordance with clause 15.12, the Issue Price for a Unit is calculated as follows:

$$\frac{\text{Net Asset Value of the Fund Assets + Acquisition Expenses}}{\text{total number of Units on issue}}$$

with all such variables calculated as at the time and in accordance with clause 15.12;

- (c) in any other case, the Issue Price for a Unit is equal to:

$$\frac{\text{Net Asset Value of the Fund Assets + Acquisition Expenses}}{\text{total number of Units on issue}}$$

with all such variables calculated as at the first Valuation Time after the later of the following events:

- (i) the time (subject to clause 7.11) the Responsible Entity receives the application for Units or Units in a Class; and
- (ii) the time when the application money against which the Units are to be created and issued is received by the Responsible Entity, or the time when the title to the property against which the Units are to be created and issued is transferred free of encumbrances to (or at the direction of) the Responsible Entity.

For the purposes of the formulae in clauses 7.7(b) and 7.7(c), "Net Asset Value of Scheme Assets", "Acquisition Expenses" and "total number of Units on issue" are each that proportion of those variables that the Responsible Entity determines is properly referable to the Class to which the Unit (for which the application price is being calculated) belongs.

7.8 Cancellation of issue of Units

If following receipt of an application for Units, the application is rejected by the Responsible Entity, or any payment for the Units is not cleared, or the direct debit order is not accepted by a bank, or the transfer of property is not effective, or the property is not transferred free of encumbrances within such period from receipt of such application as the Responsible Entity determines, then any Units which have been created and issued in consideration therefore are void ab initio and are deemed for all purposes not to have been created or issued.

The Responsible Entity may cause the Register to be rectified.

7.9 No Unit certificates

No certificates for Units will be issued unless and until the Responsible Entity otherwise determines.

7.10 Entry Fee belongs to the Responsible Entity

Once Units are taken to be created and issued, the applicable Entry Fee (if any) belongs to the Responsible Entity and may be paid to it and retained for its own purposes.

7.11 Designated Time

The Responsible Entity may designate or vary a Designated Time for the purposes of determining when an application for Units is received by the Responsible Entity for the purposes of clause 7.7. The Designated Time may be different for given methods of communication or payment. Accordingly, for the purposes of clause 7.7, if an application for Units is received:

- (a) on a Business Day but prior to the applicable Designated Time on the Business Day, it will be taken to have been received at the Designated Time on that Business Day; and
- (b) on a Business Day but on or after the applicable Designated Time on the Business Day or on a day which is not a Business Day, it will be taken to have been received at the commencement of business on the following Business Day.

7.12 Application money part of Scheme Assets

All income in respect of the payment received on an application for Units (which has been accepted by the Responsible Entity) prior to the issue of those Units forms part of the Scheme Assets. If an application is not accepted by the Responsible Entity, then the payment received on an application for Units shall be repayable to the applicant, and no income in respect of that payment received shall be payable to the applicant. Any income in respect of the payment received on an unsuccessful application for Units forms part of the Scheme Assets.

8. Withdrawal from Scheme

8.1 Clauses which apply when the Scheme is Liquid or non Liquid

Except as provided in this clause, a Member has no right to withdraw from the Scheme. While the Scheme is Liquid or is not Registered, clauses 8.2 to 8.9(a) inclusive and 8.10 to 8.13 (inclusive) apply. While the Scheme is not Liquid, clauses 8.9(b), 8.14, 8.15 and 8.16 apply. Clauses 8.17 to 8.19 apply while the Scheme is Liquid as well as while the Scheme is not Liquid.

8.2 Withdrawal Request when the Scheme is Liquid

While the Scheme is Registered and is Liquid and at all times while the Scheme is not Registered, a Member may request the Responsible Entity to redeem some or all of their Units. The request must:

- (a) specify the number or total value of Units to be redeemed; and
- (b) be in such form and be delivered, sent or given in such manner and to such place as the Responsible Entity may require from time to time.

8.3 Obligation to satisfy Withdrawal Request when the Scheme is Liquid

- (a) Subject to clauses 8.3(b), 8.4, 8.5, 8.6, 8.7, 8.10, 8.13, 8.19 and 20.2(b), the Responsible Entity must, within 40 Business Days of receipt of a Withdrawal Request (or any longer time as is permitted by virtue of the operation of clause 8.5), redeem the number or value of Units specified in the Withdrawal Request by payment from the Scheme Assets of the Withdrawal Price determined in accordance with clause 8.9.
- (b) The Responsible Entity may purchase or arrange for another person to purchase all or some of the Units the subject of the Withdrawal Request at the price per Unit no less than the Withdrawal Price which would otherwise have been paid under clause 8.3(a) in respect of that Withdrawal Request. In that scenario, the Withdrawal Request is deemed satisfied upon:
 - (i) the transfer of Units the subject of the Withdrawal Request being recorded in the Register; and
 - (ii) if the transfer is for less than all of the Units the subject of the Withdrawal Request then upon payment of the Withdrawal Price in respect of the remaining Units.

8.4 No obligation to satisfy out of own funds

Nothing in this Constitution imposes any obligation whatsoever on the Responsible Entity to satisfy a Withdrawal Request in whole or in part out of its own funds.

8.5 Suspension of obligation to satisfy Withdrawal Request

If in the opinion of the Responsible Entity:

- (a) it is, for any reason, impracticable for it to calculate the Net Asset Value of the Scheme Assets including because of the closure of a securities or other exchange or trading restrictions on a securities or other exchange, or because of the existence of an emergency or other similar state of affairs or because of an event outside the reasonable control of the Responsible Entity, or because of the requirements of any law; or
- (b) there would be insufficient cash retained in the Scheme Assets after complying with a Withdrawal Request to meet other Liabilities and in its opinion it is not in the interests of Members for any Scheme Assets to be sold in order to satisfy a Withdrawal Request; or
- (c) sufficient Scheme Assets cannot be realised at an appropriate price or on adequate terms or otherwise due to one or more circumstances outside the control of the Responsible Entity; or
- (d) the Responsible Entity reasonably estimates that it must sell 5% or more (by value) of all Scheme Assets to meet current unsatisfied Withdrawal Requests; or
- (e) there have been, or the Responsible Entity anticipates that there will be, Withdrawal Requests which will involve realising a significant amount of the Scheme Assets and the Responsible Entity considers that if those Withdrawal Requests are all satisfied immediately, Members who continue to hold Units may bear a disproportionate burden of capital gains tax or other expenses, or the meeting of those Withdrawal Requests would otherwise be to the existing Members'

disadvantage including (but not limited to) a material diminution in the value of the Scheme Assets; or

- (f) it is in the interests of the Members to invoke this clause 8.5 and extend the period referred to in clause 8.3; or
- (g) the law otherwise permits,

then, in each case, the period referred to in clause 8.3 by which a Withdrawal Request must be satisfied may, (in respect of all or any part of the Units the subject of the Withdrawal Request), be extended by the Responsible Entity by the number of days during which it considers these circumstances still prevail.

An unsatisfied Withdrawal Request received by the Responsible Entity before or during any period of suspension is taken to be received by the Responsible Entity on the first Business Day after the end of that period of suspension.

8.6 Minimum Withdrawal Amount

Without limiting the circumstances in which the Responsible Entity may refuse to satisfy a Withdrawal Request (in whole or in part):

- (a) if the application money for the Units to be redeemed has been paid by cheque or direct debit order or by transfer of property, the Responsible Entity may refuse to act on a Withdrawal Request relating to those Units until that cheque or direct debit order is honoured by the bank on which it is drawn and the proceeds received, or until unencumbered title to that property has been transferred to or at the direction of the Responsible Entity; and
- (b) the Responsible Entity may refuse a Withdrawal Request if it relates to Units which would have an aggregate Withdrawal Price which is less than the Minimum Withdrawal Amount unless the Withdrawal Request relates to all Units held by that Member.

8.7 Minimum Balance

- (a) If to comply with a Withdrawal Request would leave the Member holding Units worth, at the Withdrawal Price, less than the Minimum Balance, then the Responsible Entity may treat the request as relating to all Units held by that Member.
- (b) If at any time a Member ceases for any reason to hold Units with an aggregate worth, at the Withdrawal Price at that time, at least equal to an amount equal to the Minimum Balance, then the Responsible Entity may after giving 30 days' notice to the Member of its intention to do so, redeem that Member's holding without the need for a Withdrawal Request at the Withdrawal Price prevailing on the day the redemption takes place.

8.8 Withdrawal Request cannot be withdrawn

A Member may only withdraw a Withdrawal Request if the Responsible Entity agrees.

8.9 Withdrawal Price

Subject to any rights, obligations and restrictions attaching to any particular Unit or Class, a Unit must only be redeemed at its Withdrawal Price determined:

- (a) while the Scheme is Registered and is Liquid and at all times while the Scheme is not Registered, as at the first Valuation Time (subject to clause 8.11) after the Responsible Entity receives the Withdrawal Request (or such later Valuation Time as the Responsible Entity selects to allow time for realisation of Scheme Assets); and
- (b) while the Scheme is not Liquid, at the time the Withdrawal Offer closes.

8.10 Withdrawal Fee belongs to the Responsible Entity

Without prejudice to the rights of the Responsible Entity under clause 22.5, the applicable Withdrawal Fee (if any) must be paid by the Member to the Responsible Entity. The Responsible Entity may deduct that fee from the proceeds of redemption and retain the deducted amount for its own benefit.

8.11 Designated Time

The Responsible Entity may designate or vary a Designated Time for the purposes of determining when a Withdrawal Request is received by the Responsible Entity for the purposes of clause 8.9(a). The Designated Time may be different for different methods of communication or payment. Accordingly, for the purposes of clause 8.9(a), if a Withdrawal Request is received:

- (a) on a Business Day, but prior to the applicable Designated Time on the Business Day, it shall be taken to have been received at the Designated Time on that Business Day; and
- (b) on a Business Day, but on or after the Designated Time on the Business Day or on a day which is not a Business Day, it will be taken to have been received at the commencement of business on the following Business Day.

8.12 Transfer of Scheme Assets

If agreed to by a Member and the Responsible Entity, the Responsible Entity may transfer Scheme Assets to the Member in satisfaction in whole or in part of a Withdrawal Request. The value of the Scheme Assets must be equal to the amount which would have been the Withdrawal Price (or part thereof) if paid in cash to that Member, less such part (if any) of the Expenses associated with that transfer as the Responsible Entity considers should be payable by the Member.

8.13 Time of Redemption and Cancellation of Units upon redemption

- (a) Units redeemed under clause 8.3(a) are taken to be redeemed at the Valuation Time as at which the Withdrawal Price is in fact calculated under clause 8.9, and from that time until payment of the Withdrawal Price the former holder of the redeemed Units ceases to be a Member in respect of those Units and is a creditor of the Trust in respect of the redemption proceeds.
- (b) Units are automatically cancelled upon their redemption.

8.14 When the Scheme is not Liquid

While the Scheme is not Liquid, the Member's only right to redeem any of its Units or otherwise withdraw (wholly or partly) from the Scheme is to do so in accordance with the terms of any current Withdrawal Offer.

8.15 No obligation to make Withdrawal Offer when Scheme is not Liquid

Nothing in this Constitution imposes any obligation on the Responsible Entity to make a Withdrawal Offer at any time to all Members or to all Members who hold Units in a Class. However, if it decides to make (or cancel) a Withdrawal Offer it may do so by any means including by publishing it in a newspaper or on the internet.

8.16 Cancellation of Withdrawal Offer

The Responsible Entity may, without notice to any of the Members, at any time before a Withdrawal Offer closes, decide to cancel the offer pursuant to section 601KE of the Corporations Act, whereupon the Withdrawal Offer will be automatically cancelled. After making that decision, the Responsible Entity will give notice of the cancellation to the Members to whom the Withdrawal Offer was made. Any withdrawal request made in response to that Withdrawal Offer, which has not been satisfied at the time of the Responsible Entity's decision to cancel the Withdrawal Offer, will be taken to be withdrawn at that time.

8.17 Withdrawal Price may represent Distributable Income

The extent to which the whole or any part of an amount paid as Withdrawal Price (whether it is paid whilst the Scheme is Liquid or whilst the Scheme is not Liquid) represents a distribution of Distributable Income for an Income Distribution Period to which a Member is presently entitled will be calculated by the Responsible Entity. That amount will be that Member's Income Entitlement as a Former Member in relation to the Income Distribution Period in which the redemption occurs.

8.18 Calculation

In calculating the extent to which an amount paid as Withdrawal Price represents a distribution of Distributable Income for an Income Distribution Period for the purposes of clause 8.17, the Responsible Entity must have regard to:

- (a) the amount and category of any Distributable Income attributable to that part of the Income Distribution Period ending on the time as at which the Withdrawal Price is determined in accordance with clause 8.9;
- (b) the amount and category of any Distributable Income attributable to the realisation of Scheme Assets to satisfy the redemption request or the source of funds used to satisfy the redemption request; and
- (c) the amount of any Tax Loss or category of Distributable Income that is attributable to that part of the Income Distribution Period ending on the time as at which the Withdrawal Price is determined in accordance with clause 8.9.

8.19 Discretionary redemption

Subject to the law, the Responsible Entity may in its absolute discretion at any time redeem some or all of the Units or Units in a Class of any Member regardless of whether or not the Responsible Entity has received a Withdrawal Request in respect of those Units.

9. Valuation of Scheme Assets

9.1 Valuation and calculation of Net Asset Value of Scheme property

The Responsible Entity may cause any of the Scheme Assets to be valued at any time (not limited to once a day) and the Responsible Entity may calculate the Net Asset Value of the

Scheme Assets as at any time (not limited to once a day), in each case, in its absolute discretion.

9.2 Responsible Entity is not an expert

The Responsible Entity is not to be regarded as having the knowledge of a valuer or any other expertise in valuation.

9.3 Method of valuation

The valuation method or policy for any type of Scheme Asset is to be determined by the Responsible Entity and the Responsible Entity may vary it whenever it so decides. Where the Responsible Entity values any Scheme Asset at other than its market value then a description of the valuation method or policy applied by the Responsible Entity must be given to the auditor for the time being of the Scheme prior to its implementation.

9.4 Currency conversion

If the Responsible Entity considers it should convert one currency to another it may do so at any time and at any conversion rate as is quoted to the Responsible Entity by any financial institution the Responsible Entity determines.

10. Register of Members

10.1 Member is absolute owner

The Responsible Entity may treat a Member as the absolute owner of the Unit or Units which are registered in their name. Except as required by law, the Responsible Entity need not recognise any claim or interest in a Unit by another person, but if it decides to do so, the terms and conditions on which it is prepared to do so will be determined by the Responsible Entity from time to time in its absolute discretion.

10.2 Inspection of Register

If a Member inspects or is given a copy of the Register (or part of the Register) pursuant to section 173(3) of the Corporations Act then they will be taken to have agreed not to use any information obtained from the Register (or part) for any purpose or disclose any such information to any person, in each case except to the extent that the information consists of particulars of the Unitholding of that Member. A Member's obligation under this clause survives the transfer of all or any part of their Units.

10.3 Notify change of name or address of a Member

A Member must promptly notify the Responsible Entity of a change of name or address.

10.4 Closure of Register

The Responsible Entity may close the Register at any time.

11. Transfers of Units

- (a) A Member may transfer all or any of their Units by whatever transfer form the Responsible Entity may require from time to time.

- (b) The transfer must be delivered to the Responsible Entity (or as it directs), duly stamped and executed by the transferor and transferee and be accompanied by any evidence of title required by the Responsible Entity.
- (c) The Responsible Entity may, in its absolute discretion, refuse to register any transfer of Units. The Responsible Entity may give the Member who lodged the transfer notice of the decision to decline the registration but shall not be obliged to provide reasons for the decision.
- (d) The Responsible Entity need not concern itself with the consideration for a transfer of a Unit.
- (e) Any transfer is not effective until it has been entered in the Register.

12. Powers of Responsible Entity as Trustee of Scheme Assets

12.1 General Powers of the Responsible Entity

In addition to its powers arising under other provisions of this Constitution and by law, the Responsible Entity has all the powers in respect of the Scheme and the Scheme Assets that it is possible to confer on a natural person or corporation by law and as though it were the absolute and beneficial owner of the entirety of the Scheme Assets acting in its personal capacity. Without limitation, the Responsible Entity in its capacity as responsible entity and trustee of the Trust has full and complete power to:

- (a) operate the Scheme including the management of Scheme Assets and Liabilities;
- (b) issue, acquire, dispose of, redeem, and/or cancel Units;
- (c) borrow or raise money or procure or grant any financial accommodation including the giving of guarantees for the purposes of the Scheme in any manner whatsoever including whether or not on a secured basis and including the giving of security over Scheme Assets;
- (d) issue debentures (including a power to issue debentures that are irredeemable, redeemable only if a contingency, however remote, occurs, or redeemable only at the end of a period, however long);
- (e) grant a floating charge over the Scheme Assets;
- (f) incur obligations and liabilities of any kind, including to guarantee the obligations and liabilities of any person or provide indemnities in respect of such obligations and liabilities;
- (g) apply and invest all money at any time forming part of the Scheme Assets in property and rights of any kind;
- (h) exercise, enforce, dispose or otherwise deal with any property or right;
- (i) enter into any agreement with any person (including an Associate of the Responsible Entity) to underwrite the subscription or purchase of Units;
- (j) enter into Derivatives for any purpose; and
- (k) fetter its own powers or discretions,

in each case on any terms and conditions as the Responsible Entity thinks fit in its absolute discretion.

12.2 Discretion to exercise powers

Subject to the law, the Responsible Entity may determine whether to exercise and, if so, the manner, mode and time of exercise of its duties, powers and discretions in its absolute discretion.

12.3 Power to change name of the Scheme

The Responsible Entity may change the name of the Scheme at any time.

12.4 Power to seek information

At any time, the Responsible Entity may request from Members, and Members must promptly provide to the Responsible Entity, any information (including personal information and details) reasonably required by the Responsible Entity for the purposes of administering the Scheme or complying with any relevant laws.

12.5 Power to appoint agents and delegates

Subject to the Corporations Act, the Responsible Entity may appoint, engage or replace any person (including an Associate of the Responsible Entity) as its agent, sub-agent, delegate, attorney, sub-attorney, custodian or nominee or otherwise engage any person (alone, jointly or jointly and severally with other persons), to hold title to any Scheme Asset, or to exercise or perform any of its duties, powers, discretions and obligations in connection with the Scheme (and may include the power to appoint their own agent, sub-agent, delegate, attorney, sub-attorney, custodian or nominee or otherwise engage another person for that purpose). Any such appointment or engagement may be on any terms that the Responsible Entity determines in its absolute discretion.

12.6 Waiver of breach

Subject to its obligations at law, the Responsible Entity may waive or excuse on any terms as it thinks fit any breach by any such agent or other person of their obligations to the Responsible Entity in connection with the Scheme.

13. Remuneration of the Responsible Entity and Scheme Expenses

13.1 Expenses

In addition to any other rights to indemnity or reimbursement which it may have under this Constitution or at law, the Responsible Entity is indemnified and is entitled to be reimbursed out of the Scheme Assets for, or pay from the Scheme Assets, all Expenses incurred in relation to the proper performance of its duties or exercise of its powers. Without limitation this includes all Expenses of or in connection with:

- (a) the establishment, registration, operation, administration and management of the Scheme, the Scheme Assets and Scheme Liabilities including without limitation complying with any law and any of the requirements of the ASIC;
- (b) preparation, approval, execution and enforcement of this Constitution (and any amendment of this Constitution);

- (c) the retirement or removal of the Responsible Entity and the appointment of a successor in its place;
- (d) the initiation, prosecution, defence and compromise of any court, arbitration or other dispute resolution action, claim or proceedings relating to the Scheme (including any action, claim or proceeding brought by or against the Responsible Entity). However, if the Responsible Entity is found by a Court to be personally liable for any loss or damage to the Scheme Assets then the Responsible Entity must repay any Expenses which have been reimbursed out of or paid from Scheme Assets under this clause 13.1(d);
- (e) convening and holding meetings of Members and giving effect to resolutions of any meeting and sending other communications to Members;
- (f) the Register and all other registers in respect of any aspect of the Scheme;
- (g) the acquisition, realisation, insurance, valuation, custody, management, supervision, repair, maintenance, receipt, collection, or distribution of or other dealing with any Scheme Assets (or any proposal to do any of those things);
- (h) obtaining and servicing of financial accommodation (including bank fees, interest, expenses, charges and borrowing costs);
- (i) appointing or otherwise engaging any agent or other person (including an Associate) for any purpose in connection with the Scheme. Without limitation, this includes persons who supply services to or on behalf of or at the request of the Responsible Entity and persons whose professional advice has been sought in respect of any matter concerning the operation, administration or management of the Scheme (including any brokerage or commission payable to those persons);
- (j) the preparation, review, printing and distribution of any product disclosure statement, supplementary product disclosure statement, information memorandum or other disclosure document in respect of the Scheme or other promotion of the Scheme;
- (k) keeping the financial records relating to the Scheme, and keeping, preparing, distributing and/or lodging the accounts relating to the Scheme and complying with any obligations with respect to the accounts relating to the Scheme and any audit of those accounts;
- (l) the termination of the Trust and winding up of the Scheme;
- (m) the establishment and operation of the Compliance Committee (including any costs incurred in the selection and appointment of CC Members). Without limitation this includes indemnities, fees, costs and insurance premiums given, paid or otherwise made available in respect of CC Members and any fees of professional advisors in respect of advice or assistance obtained by the Compliance Committee;
- (n) while there is no compliance committee in respect of the Scheme the board of directors of the Responsible Entity carrying out the functions which a compliance committee in respect of the Scheme would be required by law to perform. Without limitation, this includes the fees and insurance premiums paid or otherwise made available to directors of the board who are external directors for the purposes of Chapter 5C of the Corporations Act;
- (o) the preparation, operation, amendment and audit of the compliance plan;

- (p) compliance with all obligations and requirements under Taxation laws, including the keeping of taxation records, the preparation of taxation returns, taxation statements, invoices and documents relating to the Scheme, any taxation audit, and the management of the Tax affairs of the Scheme;
- (q) the establishment and administration of the complaints handling procedures referred to in clause 17 and obtaining and maintaining membership of an external dispute resolution scheme;
- (r) Taxes and bank fees and charges incurred by the Responsible Entity in connection with the Scheme;
- (s) complying with any law and any request or requirement of ASIC or other regulatory authority;
- (t) travel expenses incurred in connection with the Scheme;
- (u) entering the Scheme in any survey;
- (v) any fees payable to any ratings organisation;
- (w) computer hardware, software and other equipment (including development and maintenance of internet facilities); and
- (x) any restructuring or listing of the Scheme.

13.2 Class Expenses

The Responsible Entity may determine that an Expense, or a proportion of an Expense, is to be a Class Expense in relation to a particular Class. Unless and until the Responsible Entity makes that determination, any Expense under clause 13.1 is to be referable to all Units on an equal basis.

13.3 Fees

To the extent permitted by the Corporations Act and subject to the proper performance of its duties or exercise of its powers, the Responsible Entity is entitled to be paid (but for any client or clients within a particular Class who may elect to receive less than or waive part or all of) the following fees:

- (a) the applicable Entry Fee (if any) in respect of an application for Units or Classes which has been accepted;
- (b) until the Scheme is finally wound up:
 - (i) a management fee of up to 3% per annum of the Net Asset Value of the Scheme Assets calculated on a daily basis. The management fee:
 - A. accrues on a daily basis; and
 - B. is payable within 10 Business Days of the end of each month out of Scheme Assets (to the extent of income) and if that is not sufficient, out of capital which forms part of Scheme Assets;
 - (ii) in respect of each Prescribed Period, the Responsible Entity is entitled to a performance fee of 20% of any percentage increase in Net Asset Value of Scheme Assets (adjusted for capital flows after the appropriate

management fee is deducted but before any other fees and expenses payable to the Responsible Entity are deducted) over the Prescribed Period in excess of the Hurdle Rate, provided that if the performance for a Prescribed Period is negative, no performance fee shall be due to the Responsible Entity and the negative amount shall be carried forward until subsequent performance in one or more Prescribed Periods is sufficient to offset the negative amount. The performance fee is calculated, accruing and payable at such times as determined by the Responsible Entity from the date the Scheme commences to the date of final distribution in accordance with clause 20; and

- (c) the applicable Withdrawal Fee (if any) in respect of a Withdrawal Request which has been met in whole or in part. That Withdrawal Fee shall be payable in the manner described in clause 8.10.

13.4 Waiver of fees and expenses and differential fees

Subject to the law, the Responsible Entity has an absolute discretion to (in respect of a particular Class or generally):

- (a) accept lower fees than it is entitled to under this Constitution; or
- (b) otherwise waive or defer (in the case of a deferral the fee accrues on a daily basis until paid) for any period it considers appropriate:
 - (i) the amount of any fees (or any part of a fee) payable to it under this Constitution in respect of all or any Units; and
 - (ii) reimbursement of any or all Expenses under clause 13.1; or
- (c) agree with any Member fee arrangements in respect of that Member which are different to those that would otherwise apply under this Constitution.

13.5 Issue of Units to the Responsible Entity

The Responsible Entity may elect that for any period it considers appropriate it is to be issued Units in such Class determined by the Responsible Entity instead of cash in payment of any of its fees or payment or reimbursement of its Expenses under this Constitution.

13.6 GST

- (a) The fees and any other amounts which are payable to the Responsible Entity under this Constitution are exclusive of GST.
- (b) Any payment or reimbursement required to be made under this Constitution for an Expense or other amount paid or incurred by the Responsible Entity will be limited to the total Expense or amount less the amount of any input tax credit to which the Responsible Entity is entitled for the acquisition or transaction to which the Expense or amount relates.
- (c) If the Responsible Entity becomes liable to remit GST in respect of any supplies made under or in connection with this Constitution then:
 - (i) in addition to any fees or other amount to which the Responsible Entity is entitled, the Responsible Entity is entitled to recover or be paid from the Scheme Assets (by way of increased fee or otherwise), at the same

time as the fees or other amount, an amount equal to the amount of the GST liability; and

- (ii) the Responsible Entity will issue a tax invoice for such supplies no later than the time at which the Responsible Entity recovers or is paid the additional amount referred to in clause 13.6(c)(i) from the Scheme Assets.
- (d) If the GST payable in relation to a supply made under or in connection with this Constitution varies from the additional amount recovered or paid from the Scheme Assets under clause 13.6(c)(i) in respect of that supply, then the Responsible Entity will provide a corresponding refund or credit to, or will be entitled to receive the amount of that variation from the Scheme Assets (as appropriate).
- (e) Except where the context suggests otherwise, terms used in this clause 13.6 have the meanings given to those terms in the A New Tax System (Goods and Services Tax) Act 1999. A reference to Responsible Entity in this clause includes the representative member of any GST group to which the Responsible Entity belongs.

14. Responsible Entity's indemnity out of Scheme Assets

14.1 Responsible Entity's indemnity

In addition to any other rights of indemnity or reimbursement which it may have under this Constitution or at law, the Responsible Entity is indemnified and is entitled to be reimbursed out of the Scheme Assets for, or pay from the Scheme Assets, all liabilities and losses incurred by it in relation to the proper performance of its duties and exercise of its powers in relation to the operation, administration and management of the Scheme or otherwise in connection with the Scheme. The Responsible Entity is not required to do anything (including enter into any contract or commitment which involves it in incurring a liability) for which it does not (or for which it considers it does not) have full rights of indemnity and reimbursement out of the Scheme Assets, or which it cannot fully pay from the Scheme Assets and unless its own liability is limited in a manner satisfactory to it in its absolute discretion. The rights of indemnity and reimbursement provided by this clause 14.1 shall continue in favour of the Responsible Entity after it has ceased to be Responsible Entity to the Scheme.

14.2 Indemnity extends to cover acts of agents or delegates

To the extent permitted by the Corporations Act, if for any reason (including because of the operation of section 601FB(2) of the Corporations Act), the Responsible Entity is liable for the direct or indirect acts or omissions of any person (whether or not the person is appointed or otherwise engaged by the Responsible Entity), then the indemnity in clause 14.1 extends to also include that liability.

14.3 No obligation to commence litigation

The Responsible Entity is not under any obligation to commence, prosecute, defend or compromise any court, arbitration or other dispute resolution action, claim or proceeding unless it is satisfied the Scheme Assets has and will at all times have sufficient net assets to adequately indemnify it against all Expenses, liabilities or losses it may incur in connection with that action, claim or proceeding.

14.4 Right of indemnity applies even if liabilities exceed Scheme Assets

The Responsible Entity's rights to indemnity and reimbursement under this Constitution and at law apply even if at any time the liabilities of the Scheme exceed the value of the Scheme Assets.

14.5 Right of indemnity applies even if unrelated breach of trust

The Responsible Entity's right of indemnity and reimbursement in respect of a matter (an **Indemnified Matter**) will not be lost or impaired by reason of a separate matter (whether it arises before or after the Indemnified Matter) in respect of which those rights of indemnity do not apply.

14.6 Indemnity for CC Member

If any CC Member incurs a liability as such in good faith, the Responsible Entity may indemnify the CC Member out of Scheme Assets in respect of that liability to the extent permitted by the Corporations Act.

15. Distributions

15.1 Determination of Distributable Income

A Member or Former Member is presently entitled to the Distributable Income of the Scheme for a Financial Year in the proportion that the sum of the Income Entitlements for that Member or Former Member for all Income Distribution Periods in that Financial Year bears to the sum of the Income Entitlements for all Members and Former Members for all Income Distribution Periods in that Financial Year.

15.2 Classification of Distributable Income

- (a) The Responsible Entity must classify into categories all or any part of the Distributable Income and any items constituting or relating to the Scheme Assets, and may account separately for each category, such categories may include the following without limitation:
 - (i) amounts of income or ordinary income or statutory income (whether or not assessable or exempt income), and amounts deductible on income account, or amounts deductible as capital allowances or otherwise as capital expenditure;
 - (ii) any capital gains, and capital losses or items otherwise deductible or dealt with on capital account;
 - (iii) any distribution which is franked or unfranked for the purposes of the Tax Act and the amount of any franking credit;
 - (iv) any tax offset, any refundable tax offset and/or refund of a tax offset; and
 - (v) any other items identified for the purposes of the Tax Act.
- (b) The Responsible Entity may allocate to a Member all or part of the Distributable Income to which the Member is entitled from a particular category or source and the Responsible Entity may advise the Member of the extent to which the amount allocated to the Member consists of an amount from a particular category or source.

- (c) The Responsible Entity and each Member agree that any extra capital gain arising under sections 115-215 of the Tax Act (or any replacement or other provision having the same effect as sections 115-215 of the Tax Act) in respect of the income of the Scheme attributable to the Scheme's capital gains for an income year:
- (i) will arise only for those Members who have had allocated to them an amount of Distributable Income consisting of those capital gains; and
 - (ii) will not arise for those Members who have had allocated to them an amount of Distributable Income that does not consist of those capital gains.

15.3 Reserves

The Responsible Entity may make any provisions or reserves of amounts that the Responsible Entity determines proper for the purposes of the Scheme and, if the Responsible Entity so determines, an item of income received or receivable in an Income Distribution Period may be treated as having been received in the next Income Distribution Period.

15.4 Present entitlement

Each of the Members on the Register at the close of business on the Income Distribution Date with respect to an Income Distribution Period is presently entitled to the Distributable Income in respect of that Income Distribution Period (taking into account any part of the Distributable Income previously distributed by way of Interim Distribution or otherwise before the Income Distribution Date for the Income Distribution Period) in proportions in accordance with clause 15.6. The Responsible Entity may record, for accounting purposes, in a Distribution Account, the amount of Distributable Income to which each Member is presently entitled with respect to each Income Distribution Period, including any amounts distributed during the Income Distribution Period with respect to any Interim Distributions or otherwise, as well as the balance available for distribution at the close of business on each Income Distribution Date.

15.5 Interim Distributions

The Responsible Entity may determine to make an Interim Distribution out of the Distributable Income during or with respect to one or more Interim Distribution Periods in an Income Distribution Period. Each of the Members on the Register at the close of business on the last Business Day of the Interim Distribution Period is presently entitled to a share of the Interim Distribution in respect of the relevant Income Distribution Period in proportions in accordance with clause 15.6.

15.6 Income Entitlement

Subject to the rights, obligations and restrictions attaching to any particular Unit or Class, the Income Entitlement of a Member for an Income Distribution Period is an amount calculated by the Responsible Entity as follows:

- (a) in respect of an Income Distribution Period ending on any Income Distribution Date other than the last day of a Financial Year, an amount calculated as follows:

$$A = \left[\frac{B \times D}{C} \right]$$

where:

- A is the Income Entitlement;
- B is the number of Units held by the Member at the end of the Income Distribution Period;
- C is the number of Units held by all Members at the end of the Income Distribution Period;
- D is the amount (if any) by which an estimate of the Distributable Income for the Income Distribution Period (calculated as if the Income Distribution Period were a year of income) exceeds the aggregate of any Income Entitlements of Former Members for the Income Distribution Period; and

- (b) in respect of a Distribution Period ending on the last day of a Financial Year, an amount calculated as follows:

$$A = \left[\frac{B \times D}{C} \right]$$

where:

- A is the Income Entitlement;
- B is the number of Units held by the Member at the end of the Income Distribution Period;
- C is the number of Units held by all Members at the end of the Income Distribution Period;
- D is the amount (if any) by which the Distributable Income for the Financial Year exceeds the sum of:
 - (i) the aggregate of any Income Entitlements of Former Members for the Income Distribution Period; and
 - (ii) the aggregate of the estimates of Distributable Income calculated for the purposes of variable D in clause 15.6(a) above in respect of the previous Income Distribution Periods of the Financial Year.

15.7 Satisfaction of present entitlements to Distributable Income

The present entitlement of a Member or Former Member to Distributable Income of the Scheme for the Financial Year is satisfied by the distribution to the Member or Former Member of the Income Entitlement of the Member in respect of the Financial Year.

15.8 Payment of distributions

- (a) Where the Responsible Entity determines to make an Interim Distribution, the Responsible Entity must within 2 months after the last Business Day of the Interim Distribution Period pay or apply to or for the Members on the Register at the close of business on the last Business Day of the Interim Distribution Period the amount of their respective entitlements to the Interim Distributions in the proportions determined in accordance with clause 15.6.

- (b) The Responsible Entity shall pay or apply to or for the Members on the Register at the close of business on the Income Distribution Date for an Income Distribution Period the amount of their respective entitlements to Distributable Income pursuant to clause 15.4 (excluding any amounts previously distributed by way of Interim Distributions or otherwise in respect of the Income Distribution Period) within 2 months after the Income Distribution Date for the Income Distribution Period.

15.9 Other distributions

The Responsible Entity may at any time distribute from the Scheme Assets any amount of capital to Members pro rata according to the numbers of Units held as at a time decided by the Responsible Entity or distribute income to Members in accordance with the proportions in clause 15.6. Distributions by the Responsible Entity to Members may be made by means of cash, cheque, direct deposit or property, including without limitation, the issue of additional Units. The provisions of this clause 15 apply to such distributions so far as they are capable of doing so.

15.10 Tax

The Responsible Entity may take any action that it considers is necessary (including without limitation by distributing or applying capital to or for the benefit of Members) to ensure to the extent possible that any Tax liability under the Tax Act in respect of the Distributable Income of an Income Distribution Period is borne by the Members in proportions that correspond with the shares of Distributable Income to which they are presently entitled, and that the Responsible Entity incurs no liability to pay Tax under the Tax Act as trustee of the Scheme Assets.

15.11 Excess distribution

If the Responsible Entity determines that the total amount of the distributions actually made to Members (in one of the forms mentioned in clause 15.8) during or with respect to an Income Distribution Period exceeds the Distributable Income for the Income Distribution Period, the Responsible Entity may treat the excess as a distribution of capital.

15.12 Distribution reinvestment arrangements

Subject to the rights, obligations and restrictions attaching to any particular Unit or Class, a Member may be required by the Responsible Entity to reinvest, or may (with the approval of the Responsible Entity), be provided with the ability to elect to reinvest some or all of any distribution payable to a Member by acquiring additional Units in accordance with this Constitution. In this event, the Responsible Entity will be treated as having received and accepted an application to reinvest distributions immediately before the first Valuation Time after the end of the relevant Income Distribution Period. Units issued in respect of such application are to be issued at an Issue Price determined as at the first Valuation Time after the end of the relevant Income Distribution Period but calculated as if the Acquisition Expenses are nil. The procedure for reinvestment of distributions (and any changes in the procedure) shall be determined by the Responsible Entity and notified to Members from time to time.

15.13 Classes

The rights of a Member under this clause 15 are subject to the rights, restrictions and obligations attaching to any particular Unit or the Class which they hold and issued under clause 4.4.

16. Meetings of Members

16.1 Corporations Act to apply

- (a) While the Scheme is not Registered, meetings of Members or of Members of a Class will be called and conducted as if Part 2G.4 applied (as modified by clauses 16.2 to 16.14 inclusive) with any necessary modifications except that at least 7 days' notice of a meeting must be given to Members or Members of a Class, or such shorter notice as they agree.
- (b) While the Scheme is Registered, except as provided for in clauses 16.2 to 16.14 inclusive, the provisions of Part 2G.4 of the Corporations Act apply to meetings of Members or Members of a Class.

16.4 Chair

Subject to the Corporations Act:

- (a) the Responsible Entity may appoint a person to chair a meeting of Members or a Class of Members;
- (b) the chair of a meeting of Members or a Class of Members need not be a Member or a Member of a Class and, if there is an equality of votes either on a show of hands or on a poll, the chair does not have a casting vote in addition to the votes to which they may be entitled as a Member or a Member of a Class; and
- (c) the decision of the Chair on any matter relating to the conduct of a meeting is final.

16.5 Form of proxy

The Responsible Entity may prescribe the form of proxy from time to time, subject to the Corporations Act.

16.6 Acceptance of proxy appointment

The Responsible Entity may in its absolute discretion accept an appointment of a proxy as valid even if it contains only some of the information required by section 252Y(1) of the Corporations Act. An appointment of proxy may be a standing one.

16.7 Joint holders

Where more than one person is registered as the holder of any Unit, then:

- (a) all such registered holders shall be counted as a single registered holder for the purposes of calculating the number of Members who have:

- (i) requested a meeting under section 252B(1) of the Corporations Act;
 - (ii) given the Responsible Entity notice of a special or extraordinary resolution they propose to move at a meeting under section 252L(1) of the Corporations Act;

The quorum for a meeting of Members or Members of a Class is 2 Members present in person holding or represented by proxy or represented by body corporate representative, between them not less than 10% of all issued Units or Units of a Class (as the case may be). If, however, there are less than 2 Members who are entitled to vote at the meeting, the quorum for that meeting is the number of Members or Members of a Class who are entitled to vote at the meeting.

16.9 Proxies and representations

- (a) If an individual is attending a meeting both as a Member or a Member of a Class and as a proxy or body corporate representative, then the Responsible Entity may, for the purposes of determining whether a quorum is present, count the individual in respect of each such capacity.
- (b) Notwithstanding section 252W(2) of the Corporations Act, a proxy is entitled to vote on a show of hands.
- (c) For the purposes of section 252Z of the Corporations Act, the Responsible Entity may determine, in relation to a particular meeting or generally, to reduce the period of 48 hours referred to in sections 252Z(2) and (3) of the Corporations Act for receipt of proxy documents before the time appointed for the meeting.
- (d) Section 253A(1) of the Corporations Act applies to determine the validity of proxy votes. That section also applies to determine the validity of a vote of a body corporate representative as if the reference to 'proxy' in that section was a reference to body corporate representative.

16.10 Quorum presence

The quorum must be present at all times during the meeting.

16.11 Absence of quorum - Dissolution or adjournment of meeting

If the quorum is not present within 30 minutes after the scheduled time for the start of the meeting set out in the notice of meeting, the meeting is:

- (a) if called under sections 252B, 252C, 252D or 252E of the Corporations Act - dissolved. This is not so if the meeting is called under section 252E and the court has directed otherwise; or

The quorum for any adjourned meeting is the number of Members or Members of a Class who are present in person or by proxy or by body corporate representative. If the quorum is not present within 30 minutes after the scheduled time for the start of the adjourned meeting, the meeting is dissolved.

16.12 Power of chair to cancel or postpone meetings

The chair may cancel or postpone a meeting for any reason to any place and time as they think fit unless the meeting has been called under section 252E of the Corporations Act and the court has directed otherwise.

16.13 Resolution binding

A resolution duly passed at a meeting of Members or Members of a Class duly convened and held in accordance with the Corporations Act and this Constitution or by postal ballot under clause 16.16 binds all Members or all Members of the Class (in that capacity) and the Responsible Entity and each Member is bound to give effect to the resolution. This is so whether or not a Member was present at the meeting.

16.14 Poll

A poll may be demanded, and if demanded, will be conducted as directed by the chair. The result of the poll is the resolution of the meeting at which the poll was demanded.

16.15 Notice of meeting

- (a) Notwithstanding section 252G(4) of the Corporations Act, a notice of meeting sent by post is taken to be received by the Member or Member of a Class at the time specified in clause 25.2(c)(ii).

16.17 Meeting of Class Members

This clause 16 applies to meetings of Members of a Class with any necessary modifications.

17. Complaints

While the Scheme is Registered, if a Member makes or submits a complaint to the Responsible Entity in relation to the Scheme, then the Member must provide all further information and assistance that the Responsible Entity requires to enable the Responsible Entity to understand the nature of the complaint and the extent to which the Member's rights have been adversely affected. The Responsible Entity must:

19. Protection and limitation of liability of the Responsible Entity

19.1 No limitation on other statutory protection for the Responsible Entity

Nothing in this Constitution limits, prejudices or otherwise affects the operation of the provisions of any statute under which the Responsible Entity may obtain relief from a breach of trust or other duty in respect of the Scheme.

19.5 Liability limited to third parties

The Responsible Entity is not liable to any person who is not a Member and nor will that person be entitled to enforce any rights against the Responsible Entity to any greater extent than the Responsible Entity is entitled to recover through its right of indemnity from and is in fact indemnified from the Scheme Assets.

20. Winding up of the Scheme

20.1 Circumstances where the Trust terminates

The Trust terminates on the earliest of:

- (a) 80 years (less one day) after the date of commencement of the Trust under clause 3.1;
- (b) the date specified by the Responsible Entity as the date that the Trust is to terminate in a notice given to Members; or
- (c) the date on which the Trust terminates by law.

- (a) the Responsible Entity must give to each Member notice of the termination and of its intention to wind up the Scheme;
- (b) no Units may be issued or redeemed;
- (c) subject to clause 20.2(e), the Responsible Entity will as soon as reasonably practicable after giving the notice under clause 20.2(a) realise all of the Scheme Assets in such manner as the Responsible Entity considers appropriate and pay, discharge or provide for (which provision may be made for such period of time as the Responsible Entity thinks fit) all liabilities (whether actual, contingent or prospective) and all Expenses of or in connection with the Scheme including those anticipated in connection with the winding up of the Scheme;
- (d) subject to any special rights, obligations or restrictions attaching to any particular Unit or Class, the net proceeds of realisation and all other cash forming part of the Scheme Assets will be distributed to the Members in proportion to the number of Units held by them at the date of the distribution. For this purpose, the Responsible Entity may rely exclusively on the evidence of the Register;
- (e) the Responsible Entity is entitled to postpone the realisation of any of the Scheme Assets for the time that it thinks is desirable so to do in the interests of the Members, and will not be responsible for any loss or damage attributable to that postponement except if and to the extent expressly provided for in clause 19.4; and
- (f) the Responsible Entity may make partial distributions in accordance with this clause.

20.3 Retention of proceeds of realisation

If the Responsible Entity decides to make a provision under clause 20.2(c), then it may retain such part of the proceeds of realisation as it thinks fit for as long as it thinks fit to meet all the liabilities and Expenses referred to in clause 20.2(c). Any proceeds so retained which are ultimately found not to be required will be distributed in accordance with clause 20.2.

20.4 Distribution to Members

The Responsible Entity must make a distribution under this clause 20 only if the Member delivers to it any form of receipt and discharge required by the Responsible Entity.

20.5 In specie distributions

The Responsible Entity may distribute any Scheme Asset to a Member in specie. The value of the asset is to be determined by the Responsible Entity and clause 9 will apply for this purpose. Expenses payable in respect of an in specie distribution are to be paid for by the Member unless the Responsible Entity determines any such Expenses are payable or reimbursable out of Scheme Assets.

20.6 Audit of accounts

If required by law or ASIC policy, following the winding up of the Scheme, the Responsible Entity must cause the accounts of the Scheme to be audited by an independent registered company auditor in the manner required by that policy.

20.7 Amounts to which a Member is presently entitled

Prior to the winding up of the Scheme, the Responsible Entity must pay to Members any undistributed amounts to which they are presently entitled to respectively by virtue of clause 20.

20.8 Continuation of Constitution

This Constitution (including all rights of indemnity), continues to apply until the Scheme is finally wound up but only to the extent the Constitution is not inconsistent with this clause 20.

Unless the Responsible Entity determines otherwise, Units in respect of which a final distribution is made are cancelled from the date of that distribution.

21. Removal and retirement of the Responsible Entity

21.1 Retirement of the Responsible Entity

- (a) Subject to the Corporations Act, while the Scheme is Registered the Responsible Entity may retire at such time as it thinks fit.
- (b) While the Scheme is not Registered, the Responsible Entity must retire when required by law and otherwise may retire on not less than 14 days' notice to the sole Member or to the Members (or by such shorter period as they agree). The Responsible Entity may appoint in writing the replacement responsible entity from retirement.

21.2 Consequences of change of the Responsible Entity

If and when the Responsible Entity retires or is removed as the Responsible Entity then, with effect from and including the time of that retirement or removal:

 - (i) to indemnify the former responsible entity for all its costs and expenses incurred (after that time) in connection with discharging its obligations under section 601FR of the Corporations Act; and
 - (ii) if it is not an Associate of the former responsible entity or it has not obtained the written consent of the former responsible entity, to promptly take whatever action is necessary to change the name of the Scheme and remove any words, letters or expressions from this Constitution and any other documents which might express or imply an association with the former responsible entity or any of its Associates and agrees not to use any such words, letters or expressions in any connection with the Scheme and this Constitution.

21.3 Covenant of proposed new Responsible Entity

Whether or not the Scheme is Registered, any proposed new responsible entity of the Scheme must agree to be bound by this Constitution as if it had been an original party to it by executing a deed to that effect. While the Scheme is not Registered, the Responsible Entity must also be

a party to that deed and agree to do all things reasonably necessary to facilitate the change of Responsible Entity.

21.4 Retirement benefit

The Responsible Entity may at any time agree with any person (including the proposed replacement responsible entity) that the Responsible Entity will be paid by or provided with such remuneration (including any form of benefit) from that person for:

- (a) agreeing to submit a proposal to Members for the retirement of the Responsible Entity and the nomination to the Members of the replacement responsible entity as its replacement; or
- (b) retiring as Responsible Entity,

and the Responsible Entity is not liable to account to Members or any other person for any such payment or benefit.

22. Payments and recoveries

22.1 Payments to a Member

Any money payable by the Responsible Entity to a Member may be paid or applied in any manner (including by cheque or directly into a designated account with a financial institution) that the Responsible Entity determines from time to time. Only whole cents are to be paid (after rounding up or down as determined by the Responsible Entity) and any remaining fraction of a cent becomes Scheme Assets.

22.2 Member direction for payment to third parties

If any Member (including any person registered jointly as a Member) directs the Responsible Entity to pay to any person any money which would otherwise be payable under this Constitution to the Member, then the Responsible Entity may accept or reject that direction in its absolute discretion.

22.3 Payments by cheque

If the Responsible Entity decides to pay money by cheque then:

- (a) if such cheque is issued to the Member and is presented and paid or the payment is made to a person at the direction of the Member or to an account with a financial institution nominated by the Member then, in each such case, that payment is in full satisfaction of the Responsible Entity's obligation to pay and a good discharge to the Responsible Entity; and
- (b) the Responsible Entity may determine that:
 - (i) any cheque issued which is made payable to the Member or to a person at the Member's direction and which is not presented within 3 months; or
 - (ii) any payment unsuccessfully attempted to be made 3 times to a Member by electronic transfer of funds at the discretion of the Responsible Entity,

may be cancelled and the money reinvested in Units in the name of the Member at the Issue Price which applies as at the Valuation Time occurring after the cancellation of the cheque or after the third unsuccessful attempt at payment by electronic transfer, or dealt with by the

Responsible Entity in accordance with the requirements of any applicable unclaimed monies laws.

22.4 Payments to joint Members

For persons registered jointly as Members, payment to any one of those joint holders will be a good discharge to the Responsible Entity in respect of that payment. Any one joint holder may give an effective discharge to the Responsible Entity in respect of any payment.

22.5 Member indemnification of the Responsible Entity

Notwithstanding any other provision in this Constitution (whether express or implied) each Member and Former Member indemnifies the Responsible Entity (both on its own account and on account of the Scheme) for, and the Responsible Entity may deduct from any money (including distribution entitlements) payable to a Member or Former Member or received from a Member or Former Member or otherwise recover from a Member or Former Member (including by redeeming any Units of a Member):

- (a) any unpaid amounts due by the Member or Former Member on any basis (under this Constitution, pursuant to the Scheme's disclosure document, or pursuant to the Corporations Act) to the Responsible Entity (either on its own account or on account of the Scheme). If those amounts represent fees payable to the Responsible Entity, it may retain the amounts deducted or recovered for its own purposes;
- (b) any amount of Tax (or the Responsible Entity's estimate of Tax) owed by the Member which the Responsible Entity reasonably believes it must or should deduct from the payment or receipt and any Expenses in respect of the entitlement of the Member or Former Member to, or payment of income or capital or the issue and allotment of Units, and the Responsible Entity may apply all these amounts so deducted or recovered in payment or reimbursement of the relevant Taxes or Expenses; and
- (c) any Tax or Expense in relation to a Member or Former Member (or the Responsible Entity's estimate of it) that is incurred by the Responsible Entity as a consequence of an action or omission of, or which is requested by, the Member or Former Member.

22.6 Responsible Entity's lien

The Responsible Entity has a first and paramount lien over all of a Member's Units in respect of any monies payable to the Responsible Entity on any basis under this Constitution or the Corporations Act in respect of any of those Units. This lien extends to distributions from time to time declared in respect of any such Units. The registration by the Responsible Entity of any transfer of any Units in respect of which it has a lien automatically terminates the lien in respect of those Units.

23. Indemnification and insurance of the Compliance Committee Members

- (a) To the extent permitted by law, the Responsible Entity may by deed, indemnify, or agree to indemnify, from the Scheme Assets, a person who is, or has been, a CC Member against a liability incurred by that person, in his or her capacity as a CC Member, to another person (other than the Responsible Entity or a related body corporate of the Responsible Entity) provided that the liability does not arise out of conduct involving a lack of good faith.

- (b) To the extent permitted by law, the Responsible Entity may by deed, indemnify, or agree to indemnify, from the Scheme Assets, a person who is, or has been, a CC Member against a liability for costs and expenses incurred by that person:

 - (ii) for costs and expenses incurred by that person in defending Proceedings, whatever their outcome.

24.1 Death of a Member

If a Member dies, then only the legal personal representative or, if the Member is registered jointly as a holder of Units only the survivor or survivors, will be recognised as having any claim to Units registered in the name of that Member. The Responsible Entity may require such information as it thinks fit to establish a person's entitlement to claim a Member's Units.

24.2 Legal disability, bankruptcy etc of a Member

If a Member becomes subject to a legal disability, becomes bankrupt or is placed in liquidation, then the survivor (or survivors in the case of a joint holding of Units) or any person who gives the Responsible Entity all the information the Responsible Entity requires to establish their entitlement to be registered as the holder of the Units registered in the Member's name as a result of the legal disability, bankruptcy or liquidation, will be recognised as having any claim to the Units registered in the name of that Member.

24.3 Discharge to the Responsible Entity

A person who is entitled to Units upon the death, legal disability, bankruptcy or insolvency of a Member may give a good discharge for any money payable or property transferable in respect of Units.
